

March 18, 2020

Our focus continues to be the health and well-being of our patients, families, staff and community. Race Orthodontics will be complying with the most recent American Dental Association request that all dental offices postpone all elective procedures for the next three weeks, starting March 18th 2020. We will continue to have a limited schedule available to cover true emergencies that cannot be remedied at home. If you have an appointment that is scheduled during this time of closure, be assured that our team will be reaching out to you soon to reschedule. If you have any questions or are experiencing pain, please call our office at 262-784-6700.

Thank you for your patience as we navigate these unprecedented times. Again, please understand we are making this decision with the health and well-being of our patients, our families and staff.
